HOME OF THE KNIGHTS

Letter from Administration

Sister Christina and I are blessed to be a part of a wonderful and loving community. We are thankful for everyone's support and prayers. We are one big Catholic family and we are here to serve you and the children.

We have fantastic teachers, who love and motivate our children. St. Augustine teachers take pride in what they do, and we assure you they are dedicated individuals that want the best education for our students.

We are committed to ensuring that your child is engaged and has a joyful learning experience. The teachers, Sister Christina Conroy, and I are going to work closely together, so that our students can learn their faith and love their faith. We will work together and help our students be successful individuals.

We will aim for our students to become well rounded individuals by providing them with many opportunities to excel in academics, series, activities, the arts, religion, clubs, and athletics.

We will hold the highest academic standards and challenge our students with a curriculum filled with rigor and relevance.

Our Mission for our Curriculum and instruction is to prepare every child for their future!

We wish you many Blessings this school year,

Mrs. Barbra Zurita, Principal

Sister Christina Conroy, Vice-Principal
